

Handout 1: Practice 1

Student A, read one of the predictions. Student B, respond with one of the expressions below and talk about your opinion. Change roles and repeat.

- a. It will rain every day.
- b. There will be more wars.
- c. There will be another economic crisis.
- d. Global temperatures won't decrease.
- e. Somebody will make a flying car.
- f. Smartphones won't be more expensive.

I think that's possible.

I think that's impossible.

I think that's unlikely.

I think that's certain.

I agree with prediction A.

I don't agree with prediction A.

I think there will/won't be ...
