

Read the text quickly and choose the best title:

A) How to stay healthy!	B) How to save money!	C) How to be happy!
-------------------------	-----------------------	---------------------

Read the text again and add the missing prepositions.

Don't buy food or drinks when you're out of the house. Make coffee, snacks, or lunch at home and then take them to work. You can **heat** _____¹ your food if your office or college has a microwave.

You should drink more water! Water is a healthy drink, but bottles of mineral water are expensive. **Fill** _____² your water bottle at home and take it with you when you go to work or college.

It's very expensive to **eat** _____³ at restaurants. You should invite your friends to your house because it will be cheaper than going out to a restaurant. You can eat, play games, or watch a movie together.

Think carefully _____⁴ what you buy. When you see something that you like, you shouldn't buy it immediately. People often buy new things, and then, later, they feel bad. Could you wait 30 days before you buy something? If you still want to buy it after a month, then it's a good idea.

Try to get a discount when you buy something. If you **hold** _____⁵ until two days after a holiday, like Christmas, the prices will be lower. Then buy everything you need for the next holiday!

If something is broken, you shouldn't **throw it** _____⁶ and buy a new one. First, try to repair it. There are lots of online videos that show you how to repair things for free.

Give _____⁷ your car. Gas and parking are expensive. Use the bus, tram, or subway. You could also use your bike or go on foot. It's cheaper and healthier, and you don't have to **worry** _____⁸ parking.
