

Handout 6 - Role Play

Work in A/B pairs. Take turns to explain a problem with work to your partner. Listen to the problem and give advice. You should use the language in the boxes in your advice.

You can have one point for each item from the box that you use. Who will get the highest score?

should	shouldn't	can	could	positive imperatives	negative imperatives (don't)	throw away
fill up	heat up	give up	eat out	think about	hold on	worry about
